### Cultural Tourism in the Maya World

#### PLAYA DEL CARMEN

This is a small hotel with only 45 rooms. Almost all of them face the central courtyard pool and have a balcony and mini bar. All rooms are equipped with air conditioning, TV, telephone, ceiling fan, coffee maker and safe deposit box. The location is ideal just 2 blocks from Playa del Carmen's beautiful stretch of white sandy beach. Located just around the corner from famous Quinta Avenida (5th Avenue) with its many restaurant and shopping options. The hotel has a courtyard swimming pool designed in a meandering circle so you can 'swim-up' to the rooms on the pool level. Tropical landscaping, sun lounges and sofas are around the pool area making it ideal for sun worshipers, and there is a pool bar conveniently at your service. This is a pleasing focal point for the hotel, just off the lobby. The hotel also has its restaurant Agorá on its street side. This open design lets you take full advantage of the warm Caribbean weather and creates an ambiance of comfort and relaxation. Hummingbirds and butterflies are often seen in the garden's flowers and fruit trees. The pool terrace has free internet service.

## TULUM

This is one of the only beach hotels in Tulum that actually has air conditioned rooms (powered by a generator). Located on the beach, the hotel features 8 two-level cabins, each with 4 suites / rooms. All rooms have private bath with tub and shower, air conditioning, telephone, living room, or sitting area, plus mosquito net windows and a terrace with chairs and hammock. The upper level rooms have exposed thatched roof ceilings and a better sea view, while the beach level rooms are right on the sand. Sandy paths lead about 50 feet to the beach and to their restaurant. The on-site beach side restaurant and bar "Los Corales" offers buffet style meals and has a full bar. Strolls along the surf line are a great opportunity to explore some of the best beaches you'll find on this coast.

The hotel offers its guests a variety of services including massage, Yoga classes, car rental and tours to the closer areas, including the archaeological sites of Tulum and Coba, ecological parks like Xcaret, Xel-Ha and Tres Rios, the Sian Ka'an biosphere reservation, and the Aktun Chen cave, plus horseback riding in Tres Rios. Water sport, can enjoy snorkelling and diving expeditions as well as deep sea fishing and boating trips all of which can be arranged on site.

## BELIZE CITY

This inn is located in Belama, a residential area on the northern outskirts of Belize City, three miles from the downtown area and seven scenic miles from the International airport. The property borders a 30 feet wide canal which leads to the historic Belize River only 50 feet away from the crystal turquoise Caribbean Sea. The Inn is a two - story Caribbean style structure surrounded by a beautiful English garden. The owners, Gaby and Oty, make their guests feel comfortable and at home in this haven of tranquility. Gaby enjoys designing and decorating which is reflected in each of the three rooms: The Dove Nest, The Humming Bird Nest and the Chickadee Nest. All the rooms have private baths, air conditioning, ceiling fans, cable TV and Internet connection. Belizean antique furniture can be found in each of the room and the rest of the house reflects the charming Victorian style with its French doors and the gothic style windows and hand carved rococo mirror.
